Projects

- **Virtual Reality Experience** (physically challenged kids)

Faculty Guide: Prof.syed Ali fathima, Asst Professor, Dept of CSE, KCT.

It creates a virtual environment where they can move around and interact within the virtual space. This mainly focuses on physically challenged kids where they can spend and play around without the help of the others

- **Mixed reality product viewer**

Faculty Guide: Prof.syed Ali fathima, Asst Professor, Dept of CSE, KCT.

Mixed Reality product viewer helps a customer to view the Three Dimensional view of a product preview where the customer can edit the product from anywhere without going out of our home or office just by scanning a marker or object tracker.

- **Mess Food Wastage Saver**

Faculty Guide: Prof.Thiruvazhi, Asst Professor, Dept of CSE, KCT.

It manages the student database efficiently and provides quick reference and updating facilities of student details for Mess faculty in preparing foods
